

Want an Athletic Scholarship?

Ever wonder which sport will provide you or your child with the best odds of receiving a college scholarship? The results may surprise you!

THE RESULTS:

1/6 Men Receive Rowing Scholarships

1/2 Women Receive Rowing Scholarships

More than 1 in 3 of the total high school athletes practicing the sports depicted here earn a scholarship to continue their education! Rowing grants the highest percentage of scholarships for either gender, but refining your skills in any of these athletics, from bowling to ice hockey, can increase your chances of going to college with financial aid!
